I acknowledge that outdoor adventure based activities such as camping, hiking, backpacking, rock climbing and canoeing entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. **The risks include, among other things:** Slipping and falling; falling objects; water hazards; exhaustion; exposure to temperature and weather extremes which could cause hypothermia, hyperthermia (heat related illnesses) heat exhaustion, sunburn, dehydration; and exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; equipment failure; accidental drowning; and improper lifting or carrying. E-mail address: [psychologicaltesting@msn.com](mailto:psychologicaltesting@msn.com)

*The assessment procedures used will evaluate the child in three major categories:*

**Cognitive:** IQ and or achievement testing to determine the strengths and weaknesses of a persons thinking in eleven domains including: general awareness, attention, memory, verbal comprehension, visual-spatial ability, computation, abstract thought, impulsivity, problem solving, social comprehension, and judgment. Obtain level of academic functioning and compare results to national norms. Rule out learning disabilities, ADD/ADHD, or nonverbal learning disability. Rule out thought disorders and screen for organic impairment.

**Emotional:** Assess emotional functioning and assess for depression, anxiety, deficits in identity formation, obsessive/compulsive disorders, and sleep disorders. Assess personality functioning. Obtain data regarding developmental and emotional age. Obtain data regarding family dynamics. Evaluates who the child is and why he or she is behaving as they are.

**Behavioral:** Screen for substance abuse. Screen for trauma and abuse. Screen for risk of self-harm, aggression, and treatment compliance or flight. Detect malingering and deceit. Screen for behaviors that are high risk, illegal, or violate the rights of others or major social values.

### **Tuition Information**

Soltreks is a private pay company. We do not bill insurance companies. Daily tuition applies to every day your child is enrolled at Soltreks. The tuition fee varies based upon the trek (see Schedule of Fees).

Once this application has been reviewed, and notification of acceptance has been made, a non-refundable ENROLLMENT FEE of \$2000.00 will be due to reserve a space on trek. Trek tuition is due upon enrollment unless other arrangements with accounting have been made. Payment options include: Certified bank checks, personal checks, wire transfers, or credit cards (VISA or MasterCard).

Average length of stay is six-eight weeks. All extensions beyond your initial payment will be billed at the quoted day rate, and billed to the credit card listed below.

### **Incidental and Medical Expenses**

Please include your credit card information on the **CREDIT CARD AUTHORIZATION FORM** found in your packet and fax to accounting at **707.549.3785** to be kept on file. Incidental expenses and extensions will be charged to your account unless prior arrangements have been made with the accounting department. **Should your insurance require co-pay, or if you have not provided your child's medical/prescription insurance information as well as an enlarged copy of the front and back of your card, you will be charged directly for ALL medical expenses associated with your child during his/her stay at Soltreks. Parents/legal guardians shall, however, in all events be ultimately liable for all medical costs associated with your child regardless of any asserted non-liability by insurers.** Credit card is required for incidental and medical expenses, even if tuition is paid by other form of payment.

### **Additional Fees**

Optional services that are NOT covered by Soltreks tuition are: medicine refills and any additional doctor, dentist, specialized medical services or mental health testing appointments. Fees for all of these services will be billed directly to you. Transportation assistance outside of the initial pickup will be billed as quoted. Psychological testing services are not covered by tuition, but can be requested for an additional fee.

Soltreks does not bill insurance companies directly. We are a private pay program. Some plans may cover the cost of your child's clinical therapy while he/she is enrolled in Soltreks. Please contact your medical insurance for reimbursement options prior to enrollment. Insurance companies may require a medical referral or pre-authorization. If a medical referral or pre-authorization is needed, contact your child's home psychiatrist and/or medical physician to issue a referral or pre-authorization for outdoor therapy. Soltreks does not provide pre-authorization for treatment. Please let the insurance companies know that you, the insurance holder, will be paying Soltreks upfront and that any reimbursement needs to be paid directly to you. Soltreks respects your family's right to confidentiality. Therefore, after your child's stay, we will provide you upon request, information for you to submit to your insurance company: a breakdown of program costs; services rendered, including CPT codes and diagnosis; your child's therapist's name and credentials. Soltreks does not work as a liaison between you and your insurance company.
